Project Director March 25, 2019

The people of Bernardon are our greatest asset. Our people have a passion for delivering high quality design in a collaborative, imaginative, innovative, and enjoyable environment.

Our team currently has an opening in our Philadelphia office for a Project Architect (minimum 10 years of experience) who will be responsible for performing a variety of tasks including working jointly with Design Principals relative to the internal and external tasks of managing, executing, and coordinating architectural projects as well as preparing design and construction documents, and managing/coordinating construction administration services. Ideal candidates will have excellent communication skills and a broad base of experience in all aspects of design, documentation, and construction administration. A first professional degree in architecture (B. Arch or M. Arch) and architectural licensure is required. An advanced command of Revit is essential. Multifamily, mixed-use, senior living, and wood frame construction design expertise is a must. In addition to a competitive salary and a comprehensive benefits package, you will be provided with a stimulating workplace and plentiful opportunities for growth and advancement.

If you are interested in joining our team, please send resume and work examples to: Michael S. McCloskey, Principal, Bernardon, 1315 Walnut Street, Suite 600, Philadelphia, Pennsylvania 19107, philadelphiacareers@bernardon.com. For more information, visit www.bernardon.com.
