

## **Architectural Intern - Newark**

Tetra Tech is a leading provider of consulting, engineering, and technical services worldwide. Our reputation rests on the technical expertise and dedication of our employees—16,000 people working together across disciplines and time zones to provide smart, sustainable solutions for challenging projects. We are proud to be home to leading technical experts in water, environment, infrastructure, resource management, energy, and international development. Tetra Tech combines the resources of a global, multibillion dollar company with local, client-focused delivery in 400 locations around the world. We offer competitive compensation and benefits and are searching for innovative people to join our teams.

We have an opening in our Newark, DE office for an Architectural Intern with 3-5 years of experience. The ideal candidate has received a first professional degree in Architecture. The candidate should possess skills in 3D visualization and presentation software and have work experience using Revit and AutoCAD. The ability to produce quality work in a fast paced team-oriented environment is crucial. Responsibilities include:

- Assist with development and production of architectural construction documents, which includes AutoCAD drawings and BIM models
- Prepare 3D sketches and drawings for internal use as well as client presentations
- Assist with architectural fieldwork on projects
- Assist with architectural tasks for projects in construction; reviewing shop drawings, product data, conducting field observations
- Attend project meetings; external client meetings and internal team meetings

### **Qualifications**

- Graduate of NAAB accredited architecture program
- Demonstrated experience with AutoCAD, Revit and Microsoft Office
- Must be creative, innovative, and enjoy working as a contributing part of a team
- Must be able to work efficiently under competing deadlines and handle multiple priorities in a fast-paced environment

We thank all applicants for their interest; however only those selected for an interview will be contacted. Tetra Tech is committed to creating a diverse environment and is proud to be an Equal Opportunity Employer. We invite resumes from all interested parties including women, minorities, veterans and persons with disabilities.

Tetra Tech is a VEVRAA federal contractor and we request priority referral of veterans for available positions.
