CAREER OPPORTUNITIES
PROJECT MANAGERS / PROJECT ARCHITECTS

Available Positions:

- Project Manager (8+ years experience)
- Project Architect / Designer (5+ years experience)

The Tevebaugh Architecture studio

Our design studio is comprised of team of uniquely talented design professionals who are passionately driven to be leaders in the field of design and construction. If you enjoy applying your experience to a variety of challenges, developing innovative solutions, and constantly learning in a collaborative team environment, we have a position available for you in one of the following roles that most aligns with your level of experience.

Senior Project Manager / Project Manager

Qualifications

- Inspirational and energetic project leader, with a strong desire to exceed expectations
- Bachelors or Masters in Architecture, with 8+ yrs experience
- Success with managing all project phases as part of a multi-disciplinary team
- Advanced knowledge of Revit
- Architectural Registration Preferred, but not required

Responsibilities

- Primary client liaison in support of a Principal-In-Charge for projects of all scales and complexities.
- Responsibility for providing leadership and guidance to teams of designers, consultants, and owners, by successfully producing, coordinating, and delegating all phases of projects. Provide mentorship to less experienced team members.

Project Architect / Designer

Qualifications

- Enthusiastic team member who excels in a collaborative studio environment, driven to learn, and continually seeking self-improvement.
- Degree in Architecture preferred, but not required, with 4+ yrs of experience in design and production of construction documents
- Successful experience in a multi-disciplinary team
- Advanced knowledge of Revit
- Working knowledge of Photoshop and In-Design

Responsibilities

- Supports project lead(s) for projects of all scales and complexities.
- Responsibility for supporting project goals and playing an active role in design and production as an integral team member within a fast-paced studio environment, including: Effective and efficient communication; accountability and accuracy; a desire to learn and grow while supporting fellow studio members.
