

Strategic Plan 2023-2025

AIA is widely recognized for its commitment to excellence in the education and leadership development of design professionals. Architects have become leaders in our communities, bringing innovative yet practical solutions to the challenges we face. We foster diversity and inclusion in the profession.

Mission

AIA inspires and empowers architects to improve society and transform the world.

Vision

Drive positive change through the power of design and focused activism.

Core Values

- **Impactful.** What we do matters and is relevant to our clients and to society.
- **Transformative.** We work for profound, lasting, positive change in the profession and in society.
- **Visionary.** We imagine a better future, and act courageously and confidently to achieve it.
- **Inclusive.** We believe architecture is for everyone, and we model deep collaboration and inclusion in all we do.
- **Innovative.** We lead with creativity and insight.

AIA Delaware

AIA Delaware is the voice of the architecture profession in Delaware, dedicated to serving its members, advancing their value, and improving the quality of the built environment. In alignment with the AIA National Strategic Plan, AIA Delaware commits to these intents:
