## Join the Bernardon Team

The people of Bernardon are our greatest asset. Our people have a passion for delivering high quality design in a collaborative, imaginative, innovative, and enjoyable environment. Our offices are located in the heart of great downtown and urban settings – Philadelphia, PA, West Chester, PA, and Wilmington, DE.

In addition to a competitive salary and a comprehensive benefits package, you will be provided with a stimulating workplace and plentiful opportunities for growth and advancement. We offer the unique opportunity to be involved with a wide variety of project types in a broad range of markets.

We currently have positions open as noted below. We look forward to having you join our team! For more information about the firm, visit [www.bernardon.com](http://www.bernardon.com).

### Project Director - Philadelphia

Bernardon currently has an opening for a Project Director (minimum 10 years of experience) who will be responsible for performing a variety of tasks including working jointly with Design Principals relative to the internal and external tasks of managing, executing, and coordinating architectural projects as well as preparing design and construction documents, and managing/coordinating construction administration services. Ideal candidates will have excellent communication skills and a broad base of experience in all aspects of design, documentation, and construction administration. A first professional degree in architecture (B. Arch or M. Arch) and architectural licensure is required. An advanced command of Revit is essential. Multifamily, mixed-use, senior living, and wood frame construction design expertise is a must. If you are interested in joining our team in Philadelphia, please send resume and work examples to:

Michael S. McCloskey, AIA, LEED AP, Principal | e. philadelphiacareers@bernardon.com

### Residential Architect - Wilmington

Bernardon is currently seeking a seasoned architect with 5 to 10 years of experience in single-family residential and/or wood frame construction design. Candidate will be responsible for performing a variety of tasks including working jointly with Design Principals relative to the internal task of organizing, executing, and coordinating project assignments as well as preparing design and construction documents, and coordinating construction administration services. Ideal candidates will have excellent communication skills and a broad base of experience in all aspects of design and construction administration. A first professional degree in architecture (B. Arch or M. Arch) and current pursuit of architectural licensure is required. An advanced command of Revit is essential. If you are interested in joining our team in Wilmington, please send resume and work examples to:

Douglas C. Hertsenberg, AIA, Principal | e. wilmingtoncareers@bernardon.com

### **Residential Designer – Wilmington**

Bernardon is currently seeking a designer with a minimum of 5 years of experience in single-family residential and/or wood frame construction design. Candidate will be responsible for performing a variety of tasks including working jointly with Design Principals and Project Architects relative to the task of preparing design and construction documents, and coordinating construction administration services. Ideal candidates will have excellent communication skills and a broad base of experience in all aspects of design, documentation, and construction administration. Postsecondary education and/or training in architectural design and drafting is required. An advanced command of Revit is essential. If you are interested in joining our team in Wilmington, please send resume and work examples to:

Douglas C. Hertsenbergh, AIA, Principal | e. [wilmingtoncareers@bernardon.com](mailto:wilmingtoncareers@bernardon.com)

### **Intern Architect - Philadelphia, West Chester, and Wilmington**

Bernardon is currently seeking creative and passionate intern architects (0-5 years of experience) to join our team in all three offices. Individuals will be responsible for performing a variety of tasks including generating design concepts, preparing architectural plans and renderings, and observing/surveying architectural features of structures in the field. Ideal candidates will have a tenacious and energetic spirit, as well as a professional degree in architecture; excellent design, digital modeling and rendering abilities; and an advanced command of Revit, AutoCAD, SketchUp, Bluebeam, Photoshop and PowerPoint. Multifamily, mixed-use, senior living, and wood frame construction design expertise is a plus. Depending on the office location you are interested in joining, please send resume and work examples to:

#### Philadelphia:

Michael S. McCloskey, AIA, LEED AP, Principal | e. [philadelphiacareers@bernardon.com](mailto:philadelphiacareers@bernardon.com)

#### West Chester:

Timothy J. Cassidy, PhD, RLA, AICP, ASLA, Assoc AIA, Principal | e. [westchestercareers@bernardon.com](mailto:westchestercareers@bernardon.com)

#### Wilmington:

William E. Holloway, AIA, Principal | e. [wilmingtoncareers@bernardon.com](mailto:wilmingtoncareers@bernardon.com)

### **Interior Designer – Wilmington**

Bernardon is currently seeking an Interior Designer with 1 to 5 years of experience in corporate, healthcare, and senior living design. Individual will be performing a variety of tasks, including the development of program documents and space planning concepts; researching, selecting, and specifying furniture, fixtures, finishes, and accessories; and documentation of technical drawings and design details included in interior design construction documentation. In addition to technical skills, candidate should possess a strong understanding of finish materials and resources, and will be responsible for meeting regularly with product representatives and managing the materials library. Design professional shall possess a degree in interior design from a CIDA-accredited program and possess an advanced command of Revit, SketchUp, Bluebeam, Photoshop, and PowerPoint. If you are interested in joining our team in Wilmington, please send resume and work examples to:

Robin E. Tait, IIDA, Director of Interior Design | e. wilmingtoncareers@bernardon.com

### **Architect/Designer - Philadelphia and Wilmington**

Bernardon is currently seeking seasoned architects/designers (minimum 5 years of experience) who will be responsible for performing a variety of tasks including working jointly with Design Principals relative to the internal task of organizing, executing, and coordinating project assignments as well as preparing design and construction documents, and coordinating construction administration services. Ideal candidates will have excellent communication skills and a broad base of experience in all aspects of design and construction administration. A first professional degree in architecture (B. Arch or M. Arch) and current pursuit of architectural licensure is required. An advanced command of Revit is essential. Multifamily, mixed-use, senior living, healthcare, and/or higher education design expertise is a plus. Depending on the office location you are interested in joining, please send resume and work examples to:

Philadelphia:

Michael S. McCloskey, AIA, LEED AP, Principal | e. philadelphiacareers@bernardon.com

Wilmington:

William E. Holloway, AIA, Principal | e. wilmingtoncareers@bernardon.com
